STOCK MARKET QUIET

MODERATE BUSINESS ONLY IN
THREE USUALLY ACTIVE SHARES.

Several Notable Declines and Slow
Recovery at the Close—Local
Markets Unchanged.

At New York yesterday market on call was easy at 1 1/2 to 2 1/2 per cent; last loan, 1 1/2; closed, 1 1/2 per cent.
Prime mercantile paper, 6 1/2 per cent.
Sterling exchange was steady, with actual business in bankers' bills at \$4.85 for demand and \$4.85 1/2 for sixty days; posted rates, \$4.85 1/2 for demand and \$4.85 1/2 for sixty days.
Bar silver, 65 1/2; silver certificates, 65 1/2.

Total sales of stocks, 92,403 shares, including: Pullman and Quincy, 5,300; Manhattan, 11,000; St. Paul, 15,000; silver certificates, 10,000.

The dullness of the speculation yesterday on New York 'Change almost beggared description. The market was almost motionless at that center. The traders inclined to the bear side, as prices sagged all along the line with the more important concessions in the grangers. The declines were fractional, and even the bear demonstrations were rather listless. Lack of commission house buying and the general indifference to the market generally was a distinctive feature of the day's operations. After the initial decline, however, concessions were made. Sugar sold at 1 1/2, and the grangers and a few other shares declined 1 per cent, while Manhattan exceptionally yielded 2 1/2 to 3 1/2, with a subsequent fractional recovery. There was no more of importance in the market, and about the only interest aroused by any of the price movements was the facility with which Manhattan continued to decline. The inference drawn was that insiders were either short themselves, which they were not, or that they were covering their positions. The market was viewed with complacency with the interior motives. In a sluggish way, however, the market recovered in the late session, working close to the final figures of Saturday in a few minutes. The closing was steady at slight declines in most cases.

The bond market exhibited a degree of firmness at the outset, but later sagged sharply, falling to respond to the rally in the stock market. The declines were fractional, and the market generally was viewed with complacency with the interior motives. In a sluggish way, however, the market recovered in the late session, working close to the final figures of Saturday in a few minutes. The closing was steady at slight declines in most cases.

Table with 4 columns: Name, High, Low, Close. Includes various stocks like Adams Express, American Express, etc.

Monday's Bank Clearings.

At Chicago—Money steady, on call and for commercial, 6 1/2 per cent. New York exchange, 6 1/2 per cent. On demand, \$4.85 for sixty days, \$4.85 1/2 for ninety days. New York clearing, \$1,115,000; balances, \$1,115,000.

LOCAL GRAIN AND PRODUCE.

The Grain Market Remains Quiet, with No Marked Change in Prices.
There was a quiet opening for the week in all lines of business and prices in most lines are unchanged. Dry goods and grocery dealers had only a moderate amount of business—the conditions being the same as in the closing days of last week. In country produce there is not even a shadow of business. There is only fair trading in quotations. The business on commission now continues on the same scale as during the early summer. There are practically no changes in quotations. Pineapples are on the market. Grapes are phenomenal. Cheap—Tennessee baskets, 14 lbs. 1/2; 2 1/2; 3 1/2; 4 1/2; 5 1/2; 6 1/2; 7 1/2; 8 1/2; 9 1/2; 10 1/2; 11 1/2; 12 1/2; 13 1/2; 14 1/2; 15 1/2; 16 1/2; 17 1/2; 18 1/2; 19 1/2; 20 1/2; 21 1/2; 22 1/2; 23 1/2; 24 1/2; 25 1/2; 26 1/2; 27 1/2; 28 1/2; 29 1/2; 30 1/2; 31 1/2; 32 1/2; 33 1/2; 34 1/2; 35 1/2; 36 1/2; 37 1/2; 38 1/2; 39 1/2; 40 1/2; 41 1/2; 42 1/2; 43 1/2; 44 1/2; 45 1/2; 46 1/2; 47 1/2; 48 1/2; 49 1/2; 50 1/2; 51 1/2; 52 1/2; 53 1/2; 54 1/2; 55 1/2; 56 1/2; 57 1/2; 58 1/2; 59 1/2; 60 1/2; 61 1/2; 62 1/2; 63 1/2; 64 1/2; 65 1/2; 66 1/2; 67 1/2; 68 1/2; 69 1/2; 70 1/2; 71 1/2; 72 1/2; 73 1/2; 74 1/2; 75 1/2; 76 1/2; 77 1/2; 78 1/2; 79 1/2; 80 1/2; 81 1/2; 82 1/2; 83 1/2; 84 1/2; 85 1/2; 86 1/2; 87 1/2; 88 1/2; 89 1/2; 90 1/2; 91 1/2; 92 1/2; 93 1/2; 94 1/2; 95 1/2; 96 1/2; 97 1/2; 98 1/2; 99 1/2; 100 1/2.
